

Put UAE rent and labour law to work for your business.

Get renewals, relocations and exits right first time, and most RDC and MOHRE disputes never start. The same engine UAE tenants and employees use to check their rights, built for the companies on the other side of the table.

Why now

2026 changed the rules: Dubai's Smart Rental Index (building-level averages), Abu Dhabi's 0% rent freeze (June 2026), wages due on the 1st under Resolution 340/2026, and employee consent required for contract changes (July 2026). Teams working from old assumptions are the ones ending up in disputes.

Start with a 20-minute call. Pilot on a slice of your units, staff or traffic with founding-partner pricing, then scale.
